PROFESSIONAL SUMMARY

Senior Mobile Developer with experience in developing and maintaining cross-platform mobile applications using React Native. Currently working at PT. Global Service Indonesia and placed at PT. Kalimantan Prima Persada, delivering scalable and user-focused mobile solutions. Skilled in React Native, REST API integration, JavaScript, TypeScript, Spring Boot, and various relational databases. Strong problem-solving, collaboration, and adaptability skills with a passion for building high-quality and impactful digital products.

PROFESSIONAL EXPERIENCE

PT. Kalimantan Prima Persada | April 2026 - Present

Senior Mobile Developer

- Led mobile application development, architecture, and optimization using React Native.
- Managed end-to-end build, release, and deployment to Play Store, App Store, and AppGallery.
- Collaborated with Backend (BE) and UI/UX teams to integrate robust REST APIs and translate wireframes into pixel-perfect, responsive mobile components.

PT. Bank Negara Indonesia | January 2024 - March 2026

Junior Programmer

- Developed mobile applications using React Native and integrated backend services.
- Built and managed robust REST APIs and microservices using Spring Boot.
- Collaborated with cross-functional and QA teams for Penetration Testing, SAST, and DAST.
